AGENCY AT 10/1 19 29

Dear Lill

Yours & Mr Locky's letters received.

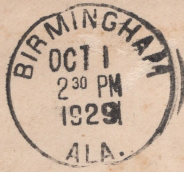

I expected the deeds to reach me today but guess they will reach here to morrow.

Mr Locky states that he has suggested to the attorneys that I give an additional \$250 corner the commission which will cover the defects.

If the matter should clear up by the time this reaches you, and I can't get my hands on the \$500, I might yet see my home as is.

~~be very~~ Lill - When I execute the other deed do you want me to send the other notes direct to you? or do you want me to make a draft ~~of~~ ~~abstract~~ It seems to me that it would be best for me to send the notes to you direct & you can mail me your check less the 100th discount & cost of clearing the abstract. Please wire me if that is your wish and believe me that would be a welcome wire.

Yours
Pitt
